One of our members, Kim Brown, is relocating to the coast and will not be attending future meetings. She has assured me she is still studying for her Technician License and will look up local hams once she is settled. Hope she will be able to visit if she is ever back in town. Good luck Kim! Give us a call if we can help. 73 es GL.

Note: The Extra Class question pool is changing effective July 1, 2016. Indications are that the new pool will be broader and perhaps even more difficult. If you're thinking about upgrading, may want to get it done prior to July 1.
