The Richmond Country Amateur Radio Club website, www.k4rnc.org, has been brought back online. Monthly newsletters and meeting minutes have been uploaded to the site and Officers info has been updated. Scott is still working on the main login page and user access logons have not been set up yet but will be explained later by Scott and Butch. However, viewing access to the site is available by clicking on the three bars in the upper right corner of the main page.

The annual Christmas dinner was held at Cap'n D's errr, (just kidding), Captain George on December 8th with 19 members, wives, and guests attending. Good turnout. Good time!

Upcoming DX January: Laos XW4XR - Micronesia V63 - Guinea Bissau J5UAP - Senegal 6W2SC, and Ivory Coast TU5MH. All are on LOTW!

SKCC is having their month-long K3Y/ celebration with oprs from all NA, and some EU, call sign areas signing up for time slots and operating as a control station (i.e. K3Y/4) and logging Qsos with as many SKCC members as possible. Bugs and straight keys will get a workout from beginning code oprs to experienced ones. Read up on SKCC at <http://www.skccgroup.com/> and start practicing!

Happy New Year!
