The Richmond Country Amateur Radio Club website, www.k4rnc.org, has been brought back online but access has not been set up to allow the files/pictures to be uploaded. Talked to Scott at the Seaboard Festival. He is ready to set up access during the next club meeting so that files can be uploaded again and the site will be back on line. 73's to Scott for his good work and follow up getting the site operational again.

Upcoming DX November: Cambodia XU7MDC, Senegal 6V1IS, Tanzania 5H3MB, Micronesia V63, Ascension ZD8V. All on LOTW or Club Log. Go get 'em!!!

Seaboard Festival was the last Saturday, the 29th, of October. Had a few people, hams and non-hams, drop by the booth. Had a good day! Food vendors were very good. If you don't believe me, ask Speed Ball (Mark Gibson) N4MQU!

Preparations for the annual Christmas Party have been set for Cap'n George's on Broad Street, Rockingham for Thursday, December 8th at 6:00PM and Butch N4AWP has reserved the room. I will send out a email to get a "head count" for those attending later.

The Nominating Committee is active and will present their suggested slate of club officers for 2017 at the November 8th meeting.
